

## Cat Trails on Campus

### [Scholars Lane Hike](#)

Start the day out right and park at the bottom of the hill in Lake Lot next to Emigrant Pass. Starting at Scholars Lane, walk up the hill to Kolligian Library; this is approximately **0.5 miles**. Walk all the way to the corner of Ansel Adams Road and Scholars Lane, next to the Science and Engineering 1, you can log an additional **0.2 miles**, for a total of **0.7 miles** from the Lake Lot.

### [Mind Break](#)

If you need a break from doing research or working on the computer, walk around Science and Engineering 1 and rack up a little over **0.3 miles** per lap.

### [Stairwell Break](#)

If you are in Kolligian Library and need a break, take to the stairs. Walk up to the fourth floor via the inside stairs. Remember, others are working so be quiet. Walk back down to enter the second floor, walk through the library doors to the left, proceed across the Lantern cat walk, and continue down the stairs to the reception desk. Turn left and walk through the hallway behind the bookstore and exit the building. Proceed to the inside stairs of the Classroom and Office Building (COB). Walk to the 3rd floor and continue through the study area and down the outside stairs. Continue along between COB and the Science and Engineering 1. Turn right on to Ansel Adams Road and walk to Mineral King Road, turn right behind Science and Engineering 1 and follow the pathway back to Kolligian Library. Congratulations, you have just completed approximately **0.75 miles**.

### [Nature Walk](#)

If you need a change of scenery, take a walk around the campus lake. Start out at the Kolligian Library and take the first walking path south to the back (south side) of Science and Engineering 1. Turn south on Ansel Adams Road and proceed towards the Logistics Support Services Building (LSSB). Walk around the road loop to Mineral King Road and proceed back to the south side of Science and Engineering 1 parking. Walk down to the white footbridge across the canal, proceed down the hill to the right and walk west along the path in front of the amphitheater and walk around the campus lake. Walk to the back of the soccer field and come across back to Scholars Lane and proceed back to Kolligian Library. This walk is approximately **1.5 miles**.

### [Lake Trek](#)

This is a scenic walk to Lake Yosemite. Starting from Kolligian Library, walk down Scholars Lane to Lake Road, turn right and proceed to Lake Yosemite. A walk to the main gate and back is approximately **1.6 miles**. If you want to make this walk a bit longer, start from the Science and Engineering 1 building. A trek from there is approximately **1.75 miles**.
