

# 2020 Bright Horizons Benefit Webinars – Q1

The Bright Horizons Benefit Webinars are short introductions which help your employees understand the full scope of support the programs offer.

Bright Horizons supports all employee webinars with corresponding marketing collateral, found in the engagement toolkit. The collateral includes a flyer, monitor graphic, and copy you can use to promote the webinar to your employees. These materials will be available in the Bright Horizons Central portal, 3-4 weeks before the webinar.

If you have any questions, please reach out to your Client Relations contact (Jessica Meehan) or email [engagement@brighthouse.com](mailto:engagement@brighthouse.com)

## Bright Horizons Additional Family Supports

Whether you need full-time child care or a star after-school sitter for the kids, a dog walker, guidance for Mom's care needs, academic support for your child, or someone to keep your house clean, *Bright Horizons Additional Family Supports*™ can help. Learn more about your Bright Horizons benefit in an upcoming webinar.
