

Career Advancement Mentorship Program (CAMP)
Program Overview and Speed Networking
9:00am – 12pm

Agenda

The objectives for today are for participants to:

- Become more knowledgeable about the Career Advancement Mentorship Program (CAMP) and its intended outcomes;
- Network with colleagues to learn personal and professional information, either by meeting new or reuniting with coworkers;
- Learn from mentors as they share information on their roles and what they're looking for in a mentee; and to
- Return a rank-order list of colleagues you are interested in paring with for this year's program.
